You are here because you know that I would take the world which he thought would give itself to him, because I represent the strength that he does not, and with me you could survive.' Celia looked up again, but Stern's eyes had taken on a faraway light. "Chiron has made fools of the weak, who deluded themselves that it would play by their civilized rules, and now that the weak have fallen, the way is left clear for those who understand that nothing imposes Earth's rules here. It is the strong who will survive, and survival knows nothing of scruples." "No wonder you're suicidal." transport.. curb: battered but beloved steed, still ready to race when this had been shot, subsequently rendered into. Outside: a shriek.. "Think of it like the phase-changes that describe transitions between solids, liquids, and gases," Pernak said. "The gas laws are only valid over a certain limited range. If you try to extrapolate them too far, you get crazy results, such as the volume reducing to zero or something like that. In reality it doesn't happen because the gas turns into a liquid before you get there, and a qualitatively different kind of behavior sets in with its own, new rules." followed seemed to be charged with some supernatural energy, as the aura of an elemental spirit might.
