Until then, they.It was believed virtual particles were virtual because the conditions of the present universe could not supply the energy necessary to sustain tweeklets. The only way to create antimatter, therefore, was to focus enough energy at a point to separate the components of a virtual pair before they reabsorbed each other and to sustain their existence, which in practice meant supplying at least their mass equivalent, as was done, for example, in giant accelerators. This was the reason for the widespread skepticism that any net energy gain could ever be realized from annihilating the antimatter later. At best it was felt to be an elaborate storage battery, and not a very efficient one at that; the power poured into the accelerator would be better applied directly to whatever the antimatter was wanted for..PAUL LECHAT, ONE Of the two Congressional members representing the Maryland residential module on the Floor of Representatives, which formed a second house and counterbalanced the Directorate, had a reputation as a moderate on most of the issues debated in the last few years of the voyage. Although not a scientist, he was a keen advocate of scientific progress as the only means likely to alleviate the perennial troubles that had bedeviled mankind's history, and an admirer of scientific method, the proven efficacy of which, he felt, held greater potential for exploitation within his own profession than tradition had made customary. He attempted therefore always to define his terminology clearly, to accumulate his facts objectively; to evaluate their implications impartially, and to test his evaluations unambiguously. He found as a consequence that he saw eye-to-eye with every lobbyist up to a point, empathized with every special-interest to a certain degree, sympathized with every minority to a limited extent, and agreed with every faction with some reservations. He was wary of rationalizings, cautious of extrapolatings, suspicious of generalizings, and 'skeptical at dogmatizings. He responded to reason and logic rather than passion and emotion, kept an open mind on controversies, based his opinions on the strictly relevant, and reconsidered them readily if confronted by new information. The result was that he had few friends in high places and no strong supporters..as scary as Bela Lugosi and Boris Karloff and Big Bird all rolled into one, but she's not dangerous.
