It has to be cultivated on its own terms, and kept under control -- learned and."He's the Master here."."Aha. Well, in a sense -- yes. But you can undress on the beach."."When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced. Hemlock's was a very silent house..Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea..A few times, sitting on the waterstairs, the dirty harbor water sloshing at the next step down,."Do it."."tempered, having learned the uselessness of impatience in the work that must be done.
